

How do I search my attributes?

Whether you're searching for attribute groups or attributes within you Aero store, you follow the same process:

- Step 1 - Login to your Aero Admin Console - Step 2 - Hover over the 'Catalog Management' icon in the left hand menu

The screenshot shows the 'Products' section of the Aero Admin Console. On the left, a sidebar menu has several icons; the 'Catalog Management' icon (a database cylinder) is highlighted with a red square. The main area is titled 'Products' and includes a search bar with the placeholder text 'Search...'. Below the search bar is a table with columns for a checkbox, 'NAME', and 'MODEL'. Two products are listed: 'Katana Mini Compact Guitar Amp' with model 'katana-mini', and 'DSL40CR 40W Valve Combo' with model 'DSL40CR'. Each product row has a small image of the product next to its name.

	NAME	MODEL
☐	Katana Mini Compact Guitar Amp	katana-mini
☐	DSL40CR 40W Valve Combo	DSL40CR

- Step 3 - Click on 'Attributes'
